

A stylized graphic in a light red color, resembling a person with their arms raised in a gesture of triumph or protest. The figure is composed of several thick, brush-stroke-like shapes. The head is a simple oval at the top. The torso is a large, irregular shape. The arms are two long, thick strokes extending outwards and upwards from the torso. The legs are two shorter, thick strokes extending downwards from the base of the torso. The overall style is minimalist and expressive.
